

European Women's Bodybuilding, Bodyfitness, Fitness, Bikini & Men's Fitness Championships

Zagreb, Croatia, May 11-14, 2012

INSPECTION REPORT

WELCOME

The Organizing Committee of the Croatian Bodybuilding union take this opportunity to welcome all European National Federations to participate in the 2012 EBFF **European Women's Bodybuilding, Fitness, Bodyfitness, Bikini & Men's Fitness Championships** in Zagreb, Croatia – May 11th to 14th, 2012.

LOCATION

Welcome to Zagreb, the capital city of the Republic of Croatia. Zagreb is an old Central European city. For centuries it has been a focal point of culture and science, and now of commerce and industry as well. It lies on the intersection of important routes between the Adriatic coast and Central Europe.

Today's Zagreb has grown out of two medieval settlements that for centuries developed on neighbouring hills. The first written mention of the city dates from 1094, when a diocese was founded on Kaptol, while in 1242, neighbouring Gradec was proclaimed a free and royal city. Both the settlements were surrounded by high walls and towers, remains of which are still preserved.

When the Croatian people achieved their independence in 1991, Zagreb became a capital - a political and administrative centre for the Republic of Croatia. Zagreb is also the hub of the business, academic, cultural, artistic and sporting worlds in Croatia. Many famed scientists, artists and athletes come from the city, or work in it. Zagreb can offer its visitors the Baroque atmosphere of the Upper Town, picturesque open-air markets, diverse shopping facilities, an abundant selection of crafts and a choice vernacular cuisine. Zagreb is a city of green parks and walks, with many places to visit in the beautiful surroundings. The city will enter into the third millennium with a population of one million. In spite of the rapid development of the economy and transportation, it has retained its charm, and a relaxed feeling that makes it a genuinely human city.
